

# AGRONOMY SOCIETY OF NEW ZEALAND (INC.)

## 2014 Agronomy Conference

*“Economic prosperity, environmental responsibility - future cropping systems and production practices”*

### CALL FOR PAPERS

The 2014 Agronomy Society Conference will be held jointly with the NZ Grasslands Association in Alexandra from November 5-7, 2014.

We are now calling for papers on all aspects of crop agronomy that relate to our theme **“Economic prosperity, environmental responsibility - future cropping systems and production practices”**.

Topics of interest may include (but are not limited to):

- Crop production for dairy support
- Farming within nutrient limits
- Water allocation and crop water use
- Functional foods from plants
- Precision management of annual, perennial or forestry crops.
- Novel science, technologies and practices

**Key dates are:**

<b>Title and abstract due</b>	<b>28 March 2014</b>
<b>Authors advised of paper acceptance</b>	<b>4 April 2014</b>
<b>Full manuscript due</b>	<b>27 June 2014</b>
<b>2014 Agronomy Proceedings published</b>	<b>November 2014</b>

Titles and abstracts should be submitted using the attached template to:

Paul Johnstone at [secretary@agronomysociety.org.nz](mailto:secretary@agronomysociety.org.nz)  
(for further information call +64 6 975 8899)

Please forward this call for papers to other colleagues and students who may be interested in submitting a paper.
